HARRY THE HIRER EXHIBITOR BROCHURE

**Harry
the hirer®**

STANDARD SHELL SCHEME

Octanorm S100

Octanorm S100 standard shell scheme design is only applicable to the MANUFACTURING SOLUTIONS ZONE AND AUSTECH

Stand Inclusions

WALLS

The walls are 2.4m high and consist of WHITE MELAMINE panels inserted into an aluminium frame.

Promotional material can be affixed to these panels with double sided velcro or tape, or blue tac.

LIGHTING

Spotlights will be fitted to the back of the fascia on a ratio of two (2) spotlights per 9sqm.

POWER

1 x 240volt (4amp) single power outlet will be connected to stands on a ratio of one per 9sqm.

FASCIA / COMPANY NAME

The fascia consists of a coloured corflute panel insert 220mm high supported in an aluminum frame, the clear height under the fascia is 2100mm.

The company name style is uniform with no exhibitor logos, names will be printed in only upper case 100mm high computer cut vinyl lettering. One company sign will be provided per aisle frontage.

All signage must be confirmed no later than 13th May 2022

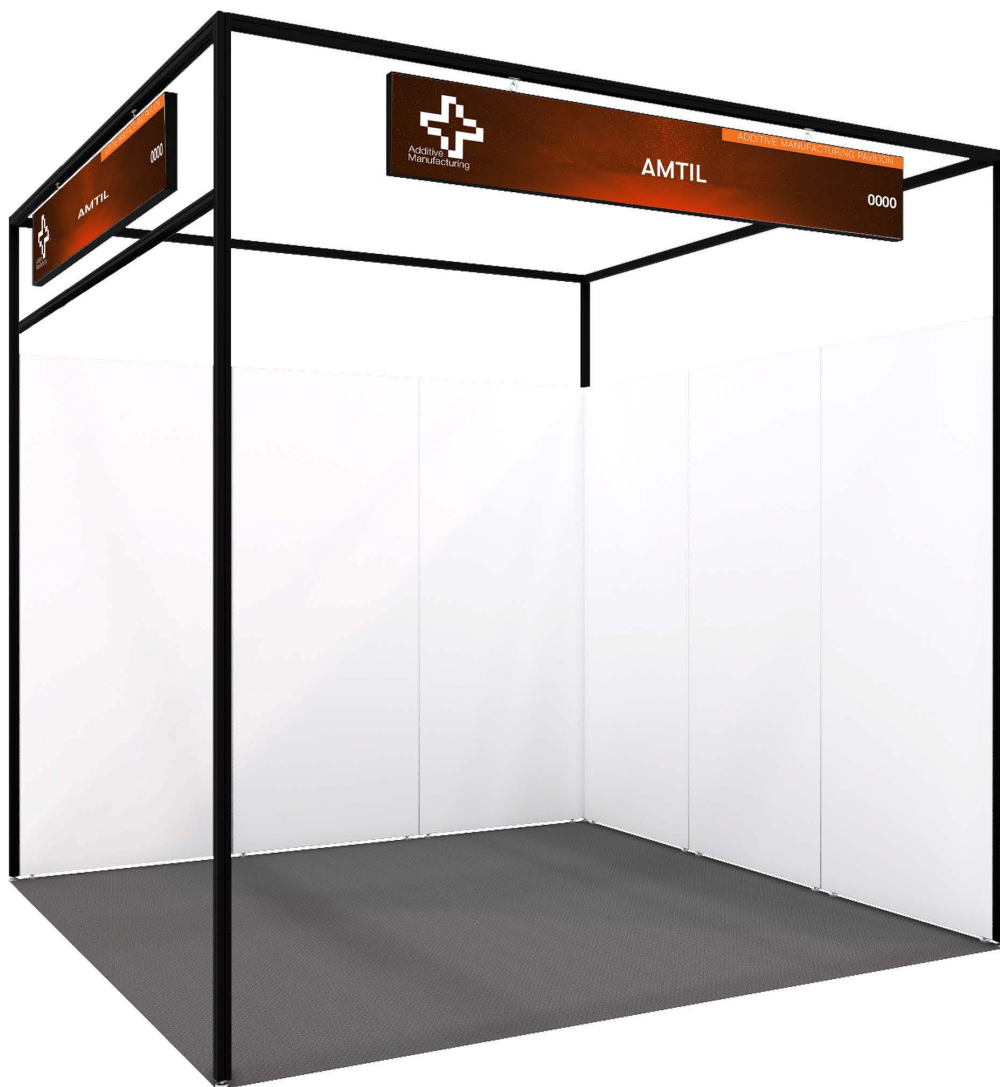

FLOORING

1m x 1m carpet tiles in Ash will be installed in all stands.

NERO SHELL SCHEME

Additive Manufacturing Pavilion

Harry
the hirer.

Nero stand design shell scheme is only available in the following Product Zones;

- Additive Manufacturing Zone.
- Robotics & Automation Zone.
- Australian Manufacturers Pavilion.
- Weld Solutions Zone.

Stand Inclusions

WALLS

The stand package consists of our NERO wall system, an aluminium frame with white insert panels combined with black powder coated aluminium extrusion at 2970mm high. Insert panels come standard in white PVC and are at 2347mm high.

Exhibitors are requested to contact Harry the hirer should a wall display be required. Screws, nails, bolts, glue, paint and double-sided adhesive tape and Velcro will permanently damage the panels, exhibitors are requested not to use them. Charges will apply for ALL damaged panels

FASCIA / COMPANY NAME

All open aisle frontages will have a printed fascia sign with stand number and company name attached to the flush finished overhead fascia.

The company name style is uniform with no exhibitor logos, names will be printed in only upper case 100mm high computer cut vinyl lettering. One company sign will be provided per aisle frontage.

SIGNAGE CONFIRMATION

All signage must be confirmed no later than 13th May 2022

Any Stand Signs not confirmed by the due date will be printed with the company name as supplied by the Show Organiser.

LIGHTING & POWER

2 x LED spotlights are supplied per 9sqm
1 x 4amp GPO is supplied per stand.

FLOORING

1m x 1m carpet tiles in Ash will be installed in all stands.

SIGNAGE

Column Signs

COLUMN SIGNS

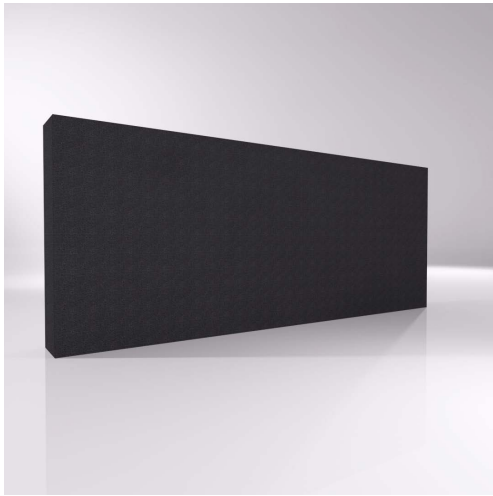

The signs are 1800mm high x 400mm wide and have 3 sides.

All shell scheme stands receive 1 x fascia sign per aisle frontage – alternatively shell scheme stands receive 2 x column signs per stand if you choose not to have fascia signs.

The company name style is uniform with no exhibitor logos, names will be printed in only upper case computer cut vinyl lettering.
