

THE JOURNEY TO INTELLIGENT MANUFACTURING

AUSTRALIAN
MANUFACTURING
WEEK

AUSTRALIA'S PREMIER MANUFACTURING SOLUTIONS EVENT

9TH – 12TH MAY 2023 • MELBOURNE CONVENTION & EXHIBITION CENTRE

AMW IS AN AMTIL INITIATIVE

9TH – 12TH MAY 2023 • MELBOURNE CONVENTION & EXHIBITION CENTRE

Why Exhibit?

To be a part of the singular platform for Australian Technological excellence. Introduce your products and services to relevant industry clientele, network and generate leads. An opportunity to reiterate your capabilities to existing and new clients, all under the one roof of AMW.

Why Visit?

To witness the latest innovations in the advanced manufacturing sector and network with Industry pioneers.

AMW Products and Pavilions

Australian Manufacturing Week covers advanced manufacturing products and processes including:

- Additive & Digital Manufacturing
- Coating/Abrasives
- Digitalisation (IOT)
- Heat Treatment
- OH&S Products
- Plastics Technology
- Safety Solutions
- Welding
- Air Technology
- Components
- Engineering Products
- Joining
- Process Control & Measurement
- Raw Materials
- Sustainable Manufacturing
- CAD/CAM & Manufacturing Software
- Electrical, Electronics & Accessories
- General Manufacturing
- Materials Handling & Logistics
- Quality Testing
- Robotics/Automation & Control
- Vision/Camera Technologies & Scanners

Showcasing 7 Product Zones

**MACHINE
TOOLS**

Australia's premier advanced manufacturing and machine tool exhibition, showcases machine tools and ancillary equipment

**ADDITIVE
MANUFACTURING**

Spotlighting the latest advances in 3D printing

**AUSTRALIAN
MANUFACTURERS
PAVILION**

Showcasing the capabilities of Australia's precision engineering and advanced manufacturing sector

**MANUFACTURING
SOLUTIONS**

Offering optimised solutions to the most common challenges, from materials handling and safety to raw materials, software and integrated manufacturing solutions

**ROBOTICS
& AUTOMATION**

Covering robotics, the internet of things, digitalisation, automation and controls, everything you need for increased productivity and optimisation of manufacturing operations

**WELD & AIR
SOLUTIONS**

Highlighting advanced welding processes and air technology and reticulation

**PLASTICS
TECHNOLOGY**

Covering all aspects of injection moulding, moulded plastics, raw materials and plastics processes

Who will visit Australian Manufacturing Week 2023?

Australian Manufacturing Week provides you with a chance to present your products and services to some of Australia's most influential customers. AMTIL prides itself on the high calibre of visitors that it attracts to its events. Key decision makers such as company owners, directors and general managers make up a large portion of the total visitor numbers to recent AMTIL exhibitions.

It is anticipated that visitors from the following industries will attend Australian Manufacturing Week 2023.

- Aerospace/Defence
- Building/Construction
- Electronics
- Government/Education
- Maintenance
- Medical
- Packaging
- Plastics & Rubber Manufacturing
- Research & Development
- Transport/Distribution/Logistics
- Automotive
- Consulting/Contracting
- Food/Beverage/Tobacco
- Importers/Exporters
- Marine/Shipbuilding
- Metalworking & Tooling
- Petroleum/Coal/Chemicals
- Process Control & Instrumentation
- Sheet Metal Working
- Wood Products/Pulp/Paper
- Biotechnology
- Design/Specification
- General Engineering/Manufacturing
- Machinery & Equipment
- Materials Handling & Warehousing
- METS (Mining Equipment, Technology & Services)
- Pharmaceutical
- Recycling
- Telecommunications/IT

Australian Manufacturing Week is Australia's Premier Manufacturing Solutions event and will continue to incorporate the Austech Machine Tool zone. The statistics below are based on previous attendances at Austech/National Manufacturing Week and AMW Sydney 2022.

The top three job functions of 2019/2022 exhibition visitors

The top industries represented at 2019/2022 of exhibition visitors

What they said about AMW Sydney 2022...

AMW2022 was by far the best trade show in our experience. Great atmosphere, confident and encouraging businesses to mix with and a good stream of interested prospects and industry partners over the 4 days. We are really glad we made the decision to exhibit.

Ray Keefe, Managing Director
Successful Endeavours

Our organisation found this years AMW run by AMTIL to be a great success. The number of people that visited the stand with opportunities arising from their visits is fantastic.

Grahame Aston
PIMA

Sutton Tools was extremely excited about the prospect of showcasing our Australian made tooling solutions during AMW. Our sales team were all present including some of our international partners and this decision certainly paid off as it was clear that visitors seemed very enthusiastic and willing to understand more about Sutton Tools total High Performance offer, showing their genuine interest by allowing us to set up meetings post the exhibition for further business development opportunities.

Peter Rollauer
Sutton Tools

We really appreciate the effort put in by all. The 2022 exhibition, for us, was well organised and a successful week.

Darren
SWI Engineering

AMW2022 was by far the best trade show in our experience ... We are really glad we made the decision to exhibit.

AMTIL are masters at arranging a world-class event, resulting in excellent lead generation for us. It is a unique opportunity for us to showcase the latest technology. We'll be back.

Paul Philips
Benson Machines

AMW2022 at ICC Sydney was a great success and we look forward to an even better AMW2023 at the Melbourne Convention Centre in May next year.

Frank Yao
Innofocus Photonics Technology Pty Ltd

AMTIL are masters at arranging a world-class event, resulting in excellent lead generation for us.
